

November 15, 2016

Dear Friends of the Park,

The children of Sag Harbor have designed a great playground and they need your help to make it a reality.

In 1908, Mrs. Russell Sage gifted Mashashimuet Park to the Park and Recreation Association of Sag Harbor, New York, Inc. and its mission continues today to provide healthy and wholesome recreation for the youth of Sag Harbor.

Earlier this year the Park Board partnered with the nationally known playground design company Leathers & Associates, inviting the children of Sag Harbor Elementary School to draw sketches of their dream playgrounds. These sketches have been incorporated into the final design of the playground, ensuring that it is a true reflection of their imaginations.

In order to complete this project, we need to raise \$500,000. Mashashimuet Park does not receive municipal funding and this project will not be possible without generous donations from neighbors and friends like you. All donations are tax deductible, as the Park is a 501(c)(3) organization.

Please make a donation today and be part of this legacy.

Sincerely,

The Park Board
